

Flow X Curved Stairlift

Brief Summary:

- ✓ Fits any stairs, particularly best for narrow curve stairs with its unique power swivel in travel mode
- ✓ Fits most users up to 19.6 stone
- ✓ Specially manufactured to your exact stair dimensions and configuration in around 4 weeks
- ✓ Comprehensive 2-year warranty on new models, 1 year on reconditioned, and unlimited on rental models.
- ✓ Option to add a further 3-year warranty on new and reconditioned models.
- ✓ 24/7, 365 days a year emergency on-call cover included in your warranty
- ✓ Easily fits to the stairs and not the wall and is installed in around 3 hours by our manufacturer-trained engineers

Introducing the Access Flow X Curved Stairlift, available from 1st Choice Stairlifts which is great for any curved staircase even narrow and spiral stairs. It is a versatile solution as well as being elegantly styled to fit with any home.

What makes this model so special is that it is great for both short and tall users with its adjustable seat height, and its patented swivel technology, that turns the chair whilst in travel to negotiate very narrow stairs.

You can tailor your stairlift to suit your needs and your curved stairs as it is a made-to-measure solution made just for you. It doesn't matter how many bends your staircase has, our surveyors will make sure we design a rail that will best fit your stairs and where you'd like to park your stairlift for easy staircase access.

Flow X

Standard Features

- Automatic swivel seat can be programmed to negotiate narrow stairs allowing the seat to swivel during travel in a downward-facing position
- Contemporary chair design with a padded seat and backrest to provide maximum comfort
- Adjustable seat and footrest height for your comfort and safety set by our engineer on installation
- Auto parking swivel for complete ease and space-saving once a journey has been completed
- Compact chair and footrest that fold up when not in use to allow other stair users to pass
- Wipe clean vinyl seat upholstery in 4 colour options (Natural Beige, Basalt Grey, Pearl Blue, Deep Red)*
- Curved or straight armrests that fold up when not in use with an armrest detection system that won't allow the lift to operate unless the arms are down, for your complete safety
- Easy to use seatbelt with automatic detection that will not allow the lift to operate unless the seatbelt is securely fastened
- Fold-down Joystick with a comfortable soft grip designed to fold away neatly in the armrest when not in use
- Lift status LED indicators to easily identify the lifts status
- Emergency stop button for added safety and security
- 2 Charge points on the track to ensure that the stairlift battery is charged at the top and bottom of the stairs (with the option to add more charge/park points)
- Call and park control units at the top and bottom of the stairs to call your lift and send it to a parking point when not in use
- Rail colours in standard White with optional Grey, Brown, or Dark Brown*
- Emergency lowering lever that will always bring the lift to the ground floor in the unlikely event of a malfunction

Flow X

Optional Features

- Attendant Control allows the stairlift to be operated by a carer if unable to be used independently
- Fabric seat upholstery in 3 colour options (Mountain Grey, Mineral Blue, Coral Orange)
- Automatic folding seat and footrest to prevent awkward bending over to fold the chair away after use
- Call device to stay connected with friends and family with up to three different telephone numbers contactable directly from your stairlift should you ever have a problem (landline connection required)
- Additional rail charge points to park the lift in a mid-way point instead of top and bottom rail end parking
- Key Lock enables you to isolate the lift, particularly useful if it is for multi-users where use is monitored/restricted or for when young children are around
- Leather seat upholstery in 3 colours (Firenze Smoke, Firenze Tan, Firenze Grey)

Is the Flow X suitable for me?

As well as new Flow X curved stairlifts we also offer a range of reconditioned and rental stairlifts, subject to availability.

When choosing a reconditioned or rental model the chair and carriage will be reconditioned and the rail will need to be made new to accommodate your exact stair dimensions. Upholstery choice of colours is subject to availability for reconditioned and rental models.
