

Platinum Curve Stairlift

Brief Summary:

- ✓ Fits most curved staircases
- ✓ Fits most users with a maximum weight capacity of 25 stone
- ✓ Specially manufactured to your exact stair dimensions and configuration in around 4 weeks
- ✓ Comprehensive 2-year warranty on new models, 1 year on reconditioned, and unlimited on rental models.
- ✓ Option to add a further 3-year warranty on new and reconditioned models.
- ✓ 24/7, 365 days a year emergency on-call cover included in your warranty
- ✓ Easily fits to the stairs and not the wall and is installed in around 3 hours by our manufacturer-trained engineers

Meet the Platinum Curve Stairlift, a great basic model for your curved staircase available from 1st Choice Stairlifts.

Although this model can be used for many curved stairs and will suit all users, it comes into its own with its extended weight capacity and customised seat options. It has an impressive weight capacity of up to 25 stone.

The whole seat can be customised for your exact comfort with the ability to change the chair arm width, seat height, adjustable backrest, and ergo seat.

The Platinum Curve rail is tailor-made to your stairs and can accommodate half landings and quarter landings with ease. You can travel on either side of your stairs with parking bends to park the curved stairlift off the stairs when not in use.

Platinum Curve Standard Features

- Customisable seat that offers outstanding comfort whilst in travel
- Wipe clean vinyl upholstery available in a choice of 4 colours (beige/grey/blue/red) for new models
- Foldaway arms, seat, and footrest ensure that your staircase is fully accessible for other stair users
- Manual Swivel Seat with a manual lever to turn the chair at the top of the stairs to get off at the top safely
- Easy-to-use ergonomic joystick for full user convenience and control with constant pressure operation
- Diagnostics display for real-time information easily visible on the armrest for added user
- Easy-to-use seat belt for your safety whilst in travel
- 2 remote controls to call and park the stairlift at the top or bottom of the stairs – great for multi-users or carer controls
- A lever-linked footplate means no awkward bending to fold up the footplate
- Battery powered so in the event of a power cut you can still use the lift
- Safety edges feature for added safety if there is an obstacle on the stairs
- Fixes to your stairs through the stair treads
- Key switch to isolate the stairlift to prevent unauthorised use

Platinum Curve Optional Features

- 160Kg (25 stone) model
- Powered swivel seat that turns the chair automatically rather than manually by keeping the joystick pressed
- Powered footplate so no bending down to lift the footplate up to fold it in operated by an easy push button control

- Optimise your comfort and space with the ERGO Plus Seat Pad, designed for shorter legs, enhancing footrest access. Paired with the ERGO Space Back Rest, saving up to 60mm - 80mm allowing installation on narrower stairs.

Is the Platinum Curve suitable for me?

As well as new Platinum Curve stairlifts we also offer a range of reconditioned and rental stairlifts, subject to availability.

When choosing a reconditioned or rental model the chair and carriage will be reconditioned and the rail will need to be made new to accommodate your exact stair dimensions. Upholstery choice of colours is subject to availability for reconditioned and rental models.
