Platinum Ergo

Standard Features

- Ergonomic Seat designed for extra comfort when travelling on the lift
- Adjustable seat height, arms, backrest and footplate designed to accommodate users of every shape and size
- Operated by an ergonomically designed joystick control at the end of the arm of the chair which is easy-to-use
- 2-way lever operated manual swivel for easy and safe mount and dismount of the seat
- Interlocked seatbelt for added safety and protection
- Battery operated so will work even in the event of a power cut
- Text display for real time information which is easily visible on the armrest showing the lift status
- Remote control to call and park the stairlift at the top or bottom of the stairs
- Folding arms, seat base and footrest when not in use to save space for other stair users
- Wipe clean vinyl upholstery in a choice of Red, Blue, Light Grey, Beige
- Lever linked footplate means no awkward bending over to fold up the footplate
- Pressure safety edges around the lift that will stop it should it meet with an obstruction.

Platinum Ergo Optional Features

- Ergo Plus Seat is a brilliant option for users with tighter stairs to enable greater knee clearance
- Powered swivel seat allows you to turn automatically at the top and bottom of the staircase to ensure you can move both safely and effortlessly in and out of your seat

- Powered footplate from button on seat arm
- Powered hinge rail to maintain unobstructed doorways and walkways. Fold it away when not in use to enable barrier free access to your door or hallway

Is the Platinum Ergo suitable for me?

As well as new Platinum Ergo stairlifts we also offer a range of reconditioned and rental stairlifts, subject to availability.

When choosing a reconditioned or rental model, the chair, carriage, and rail will be reconditioned. The rail will be cut to length to accommodate your specific staircase dimensions. Upholstery choice of colours is subject to availability for reconditioned and rental models.
