The Platinum Ultimate is a versatile stairlift that fits most curved stairs including very narrow staircases too. For narrow stairs, this stairlift uniquely offers an optional upward-facing travel chair position, perfect for people with limited leg flexion or vertigo. Another unique feature is the extra weight limit capacity that this single-tube curved stairlift offers accommodating people up to 25 stone in weight.

While the First Step Start feature lets you customise your rail's start if you have an open hallway or front door at the bottom of your stairs. The contemporary single rail is an elegant choice, designed to fit closer to your wall, making it capable of navigating even the narrowest or steepest staircases.

Regain your independence effortlessly with the Platinum Ultimate, a swift and stress-free solution with bespoke solutions for your home.

Is the Platinum Ultimate suitable for me?

As well as new Platinum Ultimate stairlifts we also offer a range of reconditioned and rental stairlifts, subject to availability.

When choosing a reconditioned or rental model the chair and carriage will be reconditioned and the rail will need to be made new to accommodate your exact stair dimensions. Upholstery choice of colours is subject to availability for reconditioned and rental models.
